

ImgSizer Privacy Policy

General

Simple version: ImgSizer doesn't store/collect any data.

We (rrainn, Inc.) do not collect, use, save, transmit, or have access any of your data related to the use of ImgSizer.

No internet/network calls are made from ImgSizer to rrainn, Inc. or any third party. ImgSizer will ask you to open an image on your computer, but this is only to resize the image. The images/metadata you select when using ImgSizer or the images/metadata that ImgSizer outputs never leave your device, and all resizing processing is handled completely locally.

ImgSizer does not use/import any third party SDKs/libraries. This means that no data related to your use of ImgSizer is stored/collected/shared with rrainn, Inc. or any third party entity.

Since rrainn, Inc. does not store/collect any data related to your use of ImgSizer, there are no data retention/deletion policies in place, since there is no data to retain/delete.

ImgSizer is compliant with the Children's Online Privacy Protection Act

ImgSizer does not collect personal information from anyone, including children under the age of 13.
